---

### POLICY

Recognizing that each individual is created by God, the Archdiocese of Miami is committed to the safety and well-being of its children and vulnerable adults and implements procedures to minimize risk as well as build and foster a culture of safe environment. The Archdiocese does not tolerate abuse or neglect of anyone. It will comply with all obligations of civil and canon law; it will promote healing where it is needed, provide education, training and guidance when it is appropriate, and endeavor to prevent any abuse of minors or vulnerable adults with firm justice and mercy towards all.

### I. GLOSSARY OF TERMS

## CREATING AND MAINTAINING A SAFE ENVIRONMENT FOR CHILDREN AND VULNERABLE ADULTS

### II. PREVENTION

In an effort to guard the safety of Vulnerable Persons under the care of the Archdiocese, all Church Personnel, ages 18 and older, will be required to submit a completed Criminal Background Check Form as well as a complete set of fingerprints so as to facilitate a criminal background investigation. Eligibility for employment, volunteer work, or ministry will be contingent and conditioned upon a satisfactory background investigation. This background investigation will be updated every five (5) years. This policy applies even if an individual has been cleared through an FBI or FDLE check conducted by their employer or another entity.

**Volunteers under the age of 18 are not allowed to have unsupervised access to children, youth or vulnerable adults.** This includes youth ministers, coaches, mentors, scout leaders, babysitters, etc. These individuals who may assist with children, youth and vulnerable adults must be immediately supervised by a volunteer or employee who has been VIRTUS trained and has successfully completed a Level 2 Background Check and has signed a Pledge to Promote Safe Environment.

Because church and school volunteers under the age of 18 are not allowed to have unsupervised access to children, youth or vulnerable adults, normally they are not Virtus trained or screened for criminal history. However, in 2015 the Florida Department of Children and Families required minors working or volunteering in summer camps to pass a background check (fingerprinting) and it is now included as part of the Safe Environment Policy.

#### **Safe Environment Education - VIRTUS**

All Church Personnel, including applicants offered a position, independent contractors and volunteers working with children and vulnerable adults are required to successfully complete safe environment training through the VIRTUS program, which begins with the live three hour session and continues with monthly bulletins. For new Church Personnel, VIRTUS training must be completed within 45 days of hire.

#### **Responsibility of Chancellor, Pastor, Principal or Administrator**

The background investigation of Church Personnel shall be the responsibility of the Chancellor, Pastor, Administrator, or other person responsible for managing the Church Personnel subject to this policy. All information reported is considered confidential; the responsible administrator shall preserve confidentiality to the fullest extent possible.

#### **Background Screening/Persons or Roles Requiring Screening**

All Church Personnel will be required to submit a completed Criminal Background Check Form as well as a complete set of fingerprints to facilitate a criminal background screening.

All Archdiocesan employees and covered volunteers including clergy, religious, seminarians, principals, instructional personnel, school and parish employees, directors of religious education, catechists, youth ministry directors and volunteers, coaches (whether paid or volunteer), music/choir directors, ushers, counselors of children or vulnerable persons, Boy/Girl Scout Troop Leaders, independent contractors working as substitute teachers or temporary school office personnel, and child care center employees and volunteers will be background checked every five years through the

## CREATING AND MAINTAINING A SAFE ENVIRONMENT FOR CHILDREN AND VULNERABLE ADULTS

FBI/FDLE screening process described later in this policy. For all individuals, this policy supplements requirements of any federal or state policy.

Not all volunteers need to be screened for a criminal history. Those volunteers that do not have access to or regular contact with children or vulnerable adults and those volunteers that are not entrusted with the care or supervision of children or vulnerable adults need not be screened for a criminal history. Some *examples* of volunteers that do not need to be screened for a criminal history are:

### *Volunteer Parish Roles Not Requiring Fingerprinting (VIRTUS Training is Optional)*

1. Sacristan duties, unless accessible to altar servers who are minors
2. Altar dressers; persons responsible for washing and maintaining altar linens
3. Lectors
4. Adult choir member, unless practicing and/or performing with minors (children's choir)
5. Cantor
6. Extraordinary Minister of Eucharist (if at Masses *only*)
7. Bereavement Group Leader
8. Parish Council members; Finance Council members
9. Ladies' Guild, Council of Catholic Women, Bible Study Groups, Ministry groups that do not have unsupervised or regular contact with children
10. Men's and Women's adult organizations that do not have unsupervised access to children.

If duties are assigned to any volunteer that include the care or supervision of children or vulnerable adults or otherwise involve access or regular contact with children or vulnerable adults, the volunteer is then classified as a *Covered Volunteer* and the requirements for *Covered Volunteer* as defined in this policy, including fingerprinting and background screening and training, are required.

### *Volunteer or Vendor School Roles Not Requiring Screening (if accompanied by an Employee or Covered Volunteer at all times)*

1. Presenter at meeting or event
2. Career Day type events (participant or person staffing a booth)
3. Repair person

It is anticipated that the above-listed volunteers' duties will not involve the supervision or care of children or vulnerable adults and will not involve regular contact with children or vulnerable adults.

### **Distribution of this Policy**

A copy of this policy and the procedures for implementation will be distributed to all parishes and other Archdiocesan entities. All pastors and designated administrators are to be familiar with this policy and with their respective responsibilities for training and background screening Church Personnel and are required to fully implement the training and screening requirements within their respective entities. The policy will be posted on the Archdiocese of Miami public website and on the Archdiocese of Miami intranet site accessible to employees. Annually, public announcements about the Archdiocese's efforts to provide a safe environment and the manner in which concerns or allegations may be reported will be made via web, print media and parish bulletins.

## CREATING AND MAINTAINING A SAFE ENVIRONMENT FOR CHILDREN AND VULNERABLE ADULTS

### **New Church Personnel**

Before beginning work, ministry or volunteer services, Church Personnel must complete the appropriate criminal background process and receive clearance from the Office of Safe Environment. All offers for any employment are contingent upon approval from the Office of Safe Environment. All new hires requiring FBI/FDLE checks (and other individuals in emergency cases or when approved by the Office of Human Resources) will be fingerprinted at an approved Archdiocesan location.

New employees are required to complete the Employee Pledge to Promote Safe Environment and VIRTUS training. New volunteers are required to complete the Volunteer Pledge to Promote Safe Environment, and VIRTUS training.

### **General Fingerprinting Procedure**

Church Personnel must register online by accessing [www.fieldprintflorida.com](http://www.fieldprintflorida.com). At the time of registration, an appointment may be made to be fingerprinted at an Archdiocesan-approved location. Applicants must have a code to register. The code is provided by their entity: parish/school. Fingerprints must be taken by an Archdiocesan trained or certified employee or volunteer.

### **Third Party Vendors**

No third-party vendors, other than vendors approved by the Office of Safe Environment, can be used by any Archdiocesan entity for the purpose of background checks and/or clearance. Results of all fingerprinting and background checks will be processed through the Office of Safe Environment.

### **Special Procedures for Instructional Personnel**

Instructional personnel certified through the State of Florida will be re-screened every five years in conjunction with the State's certification process (this will include a renewed FDLE/FBI check). All other school employees will be re-screened every five years according to this policy. The State of Florida certification approval and the related screening results for instructional personnel will be reviewed by the Office of Safe Environment.

### **International Background Check**

Any prospective Church Personnel from another country who has not been in the U.S. for at least one year will receive an International Background Check. Special forms are required and available through the Office of Safe Environment.

### **Clearance Process and Results of Criminal Background Screening**

There are three categories of criminal background results.

*Category 1:* Criminal Background Search shows no criminal record. If a Church Personnel does not have any criminal record, the Office will notify the Church Personnel's administrator in writing that the individual is cleared. The clearance notice shall be kept in a separate, locked, confidential file.

*Category 2:* Criminal Background Search shows a non-disqualifying criminal record. If a Church Personnel has a criminal record that is non-disqualifying, the Office may notify the Church

## CREATING AND MAINTAINING A SAFE ENVIRONMENT FOR CHILDREN AND VULNERABLE ADULTS

Personnel's administrator of the non-disqualifying criminal record. The notification shall be kept in a separate, locked, confidential file.

The administrator will discuss the criminal record with the Church Personnel to obtain the underlying facts as well as any extenuating circumstances. Generally, the administrator will *recommend* to the Archdiocesan Office of Human Resources whether to permit the Church Personnel to be employed or volunteer, notwithstanding the non-disqualifying criminal record. The decision of the Archdiocese will be promptly communicated to the Administrator in writing.

*Category 3:* Criminal Background Search shows a disqualifying criminal record. If a Church Personnel has a criminal record that is disqualifying, as described in Appendix A of this policy, the Office will notify the designated administrator and Church Personnel of the disqualification from employment or volunteer ministry. The disqualification notice shall be kept in a separate, locked, confidential file. The Church Personnel may be notified of an exemption process, if available.

Restriction on employment or volunteer service of any Church Personnel or rejection notices on any Church Personnel or applicants at the entity shall be kept in a locked, confidential file. When an administrator or pastor is replaced, their replacement should review the confidential file to ensure that they are aware of any restrictions on a volunteer's or employee's activities. In addition, he or she should verify, in writing, to the Office of Safe Environment that such a review has been completed.

### **Renewals**

All Church personnel need to be re-fingerprinted and screened according to this policy every five (5) years.

### **Working or Volunteering With Restrictions**

A person may be permitted to work or volunteer, with restrictions. For example, if a person has had a DUI or reckless driving conviction, he/she may be allowed to work or volunteer but is prohibited from driving on behalf of the parish or school even in the employee's or volunteer's own vehicle.

### **Disqualifying Offenses**

Prior findings of guilt, pleas of guilt or pleas of no contest (regardless of adjudication) for certain misdemeanors and felonies prohibit an individual from employment or volunteer ministry in an entity of the Archdiocese. See Appendix A for a list of disqualifying offenses.

### **Record Maintenance**

Digital fingerprint images will be retained in a secure electronic database through a vendor approved by the Archdiocese of Miami. Any identified criminal history, along with Archdiocesan recommendations for clearance or denial, will be held in a secure location in the Office of Safe Environment.

### **State Licensed and Regulated Facilities**

Some Archdiocesan facilities are licensed or otherwise regulated by the State of Florida and (1) may in some circumstances be governed by additional requirements and (2) only the state can grant an exemption at those facilities. Furthermore, if the state requires and performs the criminal background check, the Office of Safe Environment may rely on the state's determination of eligibility and disqualification at those licensed facilities.

## CREATING AND MAINTAINING A SAFE ENVIRONMENT FOR CHILDREN AND VULNERABLE ADULTS

### **Reconsideration or Appeal**

Any Church Personnel who is disqualified or placed on restriction should be informed by the pastor, principal, or designated administrator, and given the reasons for the rejection or restriction. If the individual believes there is an error, or that the facts of the case are not properly known, he or she will be required to provide written documentation to the Office of Safe Environment before the decision will be reconsidered. Any cost associated with presenting this written documentation must be borne by the applicant or Church personnel.

### **Limitations on Use of Screening Information**

The Archdiocese may not use the criminal records, juvenile records, or abuse registry information of a person obtained through this screening process for any purpose other than determining whether that individual meets the minimum standard for good moral character or is otherwise qualified for the position sought.

### **Criteria for Excluding Church Personnel from Employment/Ministry**

Background checks involve a search of Florida criminal and juvenile records through the Florida Department of Law Enforcement and federal criminal records through the Federal Bureau of Investigation. Failure to meet the minimum standards of good moral character or the reasonable job-related expectations of the Archdiocese will be sufficient for disqualification (or immediate termination) from employment or volunteer ministry. In addition, individuals who misrepresent or fail to accurately complete their background information, including any criminal record or activity, may be denied employment or volunteer activity, or, if the inaccuracy or misrepresentation is subsequently discovered, the individual may be immediately terminated from employment or volunteer ministry.

All Church Personnel shall be expected to live a life of good moral character. If the Pastor, Administrator or other supervisor responsible for implementing this policy is not satisfied that this has been met, then the Church Personnel may be disqualified. The decision regarding employment or volunteer ministry shall take into consideration the minimum requirements of a good moral life which are established by the teachings of the Roman Catholic Church and consistent with Florida Law.

Church Personnel who have been found guilty of, entered a plea of guilty, or entered a plea of *nolo contendere* for any offense listed on Appendix A are disqualified from employment or ministry regardless of the date of the offense. Unless prohibited by law, an exemption from disqualification may be granted by the Archdiocese. In order for an exemption to be granted by the Archdiocese, a Church Personnel must demonstrate by clear and convincing evidence that he/she should not be disqualified from employment or ministry. A Church Personnel seeking an exemption has the burden of setting forth sufficient evidence of rehabilitation including, but not limited to: (a) the circumstances surrounding the criminal incident for which the exemption is sought; (b) the time period that has elapsed since the incident; (c) the nature of the harm caused to the victim, if applicable; and (d) the personal history of the Church Personnel since the incident, or any other evidence or circumstances indicating that the Church Personnel will not present a danger if continued employment or ministry is allowed.

### Visiting Priests / Non-incardinated Priests

- For a priest who is visiting for an event or a weekend, or short term visit but not an official assignment within the Archdiocese, a Certification of Good Standing (COGS) is required from the visiting priest's Bishop or Superior to grant faculties.
- For a priest who is requesting an official assignment within the Archdiocese, a COGS and a fingerprinting and background (national or international) background check and VIRTUS training, according to this policy, is required to grant faculties.
- For a priest who is an extern residing in our Archdiocese for all or part of the year (i.e. retired) and wishes to assist at a parish, a COGS and a fingerprinting and background check is required. Certification by the Arch/diocese in which the priest is incardinated that fingerprinting, background screening and safe environment training has been satisfactorily completed within five (5) years may substitute for fulfilling these requirements through the Archdiocese of Miami's procedures
- The Chancellor for Canonical Affairs is responsible to evaluate each request for faculties and approve if appropriate.

### Standards of Conduct for Church Personnel

Any form of sexual misconduct is sinful. Certain forms of sexual misconduct can be criminal as well. Church Personnel who engage in any form of sexual misconduct are violating the ministerial relationship, misusing their authority, power and trust, and taking advantage of the vulnerability of those they serve. By these unique circumstances of ministerial service there is an absence of meaningful consent to *any* sexual activity, even if the person is an adult.

It is the responsibility of Church Personnel to maintain appropriate emotional and sexual boundaries with those with whom they work or serve. While it is not possible to identify every form of inappropriate conduct that violates a person's boundaries, based on the foregoing, it is inappropriate for Church Personnel to:

- make sexual propositions or perform any type of sexual act with and/or in the presence of anyone.
- give inappropriate gifts (such as lingerie).
- threaten or cause personal harm or injury or damage to property.
- smoke or encourage smoking on any Archdiocesan property, at any school or entity.
- observe someone undressing while he/she is changing clothes at school, a sporting event or retreat other than necessary supervision in a locker room or approved changing area.
- denigrate or verbally abuse any person.
- provide medical advice, or medical procedure unless properly authorized or are required by law.
- administer drugs, including over-the-counter medication, in the absence of express written permission.
- provide massages or other physical therapy or touch an individual inappropriately.
- examine the genitalia of any person, for any reason.
- use the internet or other mobile electronic devices for pornographic access.
- show sexually suggestive objects or pornography.
- Never possess, consume, or offer alcohol products, tobacco products, or illegal drugs, now be under the influence of alcohol products or illegal drugs when engaged in ministry to anyone, especially minors or vulnerable adults.

## CREATING AND MAINTAINING A SAFE ENVIRONMENT FOR CHILDREN AND VULNERABLE ADULTS

- create, distribute, or maintain child pornography in any form as it is a crime in the State of Florida and is immediately reported to law enforcement officials
- tell tales of sexual exploits, experiences or conflicts or use sexual vulgar language
- offer a prolonged hug when a brief hug is customary behavior or kiss on the lips.
- invite children and young people to their home unsupervised or for overnight stays, even with the permission of the parent or guardian.
- offer children and young people transportation, even with the permission of the parent or guardian.

Behaviors that raise serious concerns with respect to maintaining a safe environment for children include, but are not limited to:

- Over investment in children; over identification with children
- Failure to set appropriate limits with children
- Indications of anxiety regarding adult sexuality
- Success in getting around the rules
- Allowing individuals under supervision to break rules
- Lack of meaningful, in-depth relationships with adult peers
- Keeping secrets with children
- Allowing special relationships with, or giving gifts to, an individual young person

**Conduct with Youth and Young Adults** The Archdiocese of Miami has specific Youth and Young Adult Policies and Procedures for those who work or minister with youth or young adults in any Archdiocesan parish or entity.

### **Requirements for Outside Groups Using Archdiocesan Facilities/Space**

Outside groups that use Archdiocesan facilities but are not affiliated with the Archdiocese are responsible for meeting the minimum level 2 screening requirements of Section 435.04 and 1012.465 of the Florida Statutes, pursuant to the terms of the Archdiocesan Non-Exclusive Space Use Agreement and License. Accordingly, those License-affiliated persons do not have to be screened under this policy, *Creating and Maintaining a Safe Environment*. The *Space Use Agreement and License* can be found on the Archdiocesan bookkeeper web site.

### **III. RESPONDING TO AN ALLEGATION OF SEXUAL ABUSE OF A VULNERABLE PERSON**

#### **Reporting**

If a victim of abuse reports, or if any clergy, religious, lay employee, or volunteer of the Archdiocese of Miami knows or has cause to suspect that a Vulnerable Person has been subjected to any form of abuse, child sexual abuse, or neglect by any person, including another Archdiocesan employee or volunteer, religious or clergy, the following procedures will be immediately observed.

- *Mandatory Reporting to DCF.* All Church Personnel who know, or have reasonable cause to suspect, that a child or vulnerable adult has been a victim of sexual abuse, shall immediately make any report required by law directly to the Department of Children and Families (DCF). Any mandatory report may be made by calling the toll-free statewide abuse or neglect registry at 1-800-96ABUSE, or by calling the local DCF office responsible for receiving such reports. Any verbal

A call received via the hotline is logged according to policy and immediately referred to the Victim Assistance Coordinator to contact the victim and offer assistance. The Call Log is shared with the Victim Assistance Coordinator and the Archdiocesan attorney.
- *Report to Archdiocesan Contact Person.* All allegations of sexual abuse by Church Personnel or on church premises shall be reported promptly to the Archdiocesan Contact Person. The Archdiocesan Contact Person shall immediately notify the Archdiocesan Attorney who will in turn notify the local State Attorney. Procedures for making a complaint will be readily available in printed form.
- *Notification of Pastor/Principal of Supervisor and Victim Assistance Coordinator.* Immediately after telephoning DCF, DPR, the appropriate law enforcement agency and the Archdiocesan Contact Person, the individual who learns of an allegation will notify the pastor, school principal, director of religious education, or other responsible supervisor, as appropriate. Immediately after receiving notification of a reported child abuse charge the supervisor will contact the Victim Assistance Coordinator, who will then notify the parents, as appropriate, in the case of a child.

Copies of all reports to DCF and other agencies are forwarded to the responsible supervisor within the same calendar day. Immediately after receiving copies of the written reports, the supervisor will forward them to the Archdiocesan Victim Assistance Coordinator and Archdiocesan Attorney.

- *Content of Report.* Any report made to DCF should contain, when possible, the names and addresses of the child or vulnerable adult and of the child or vulnerable adult's parent, guardian, or other adult having custody and control of the child or vulnerable adult, the child or vulnerable adult's age, the nature and possible extent of the child or vulnerable adult's injuries, and any other information that the person reporting believes may be helpful with respect to the investigation of the alleged abuse, and the identity of the alleged perpetrator.
- *Notification of Guardian.* If the complaint is not received from or does not involve the parent or guardian of the child or vulnerable adult, arrangements should be made to notify immediately the parent or guardian. Notice should *not* be given to the parent or guardian if he or she is the person against whom the complaint is made. Appropriate pastoral concern and support shall also be shown to all parties involved, including the family. All information relating to a child or vulnerable adult incident, in which a complaint is made against Church Personnel, shall be assembled and retained in a written form in a confidential manner.

## CREATING AND MAINTAINING A SAFE ENVIRONMENT FOR CHILDREN AND VULNERABLE ADULTS

- *Cooperation with Law Enforcement.* The Archdiocese will cooperate with public authorities about reporting in cases when the person alleged to have been abused is no longer a minor. In every instance, the Archdiocese will notify the Archdiocesan Attorney who will in turn notify the local State Attorney. In addition, the Archdiocese will advise and support a person's right to make a report to public authorities.
- *Confidentiality Agreements.* In cases of child sexual abuse, the Archdiocese will not enter into confidentiality agreements except for grave or substantial reasons brought forward by the victim or survivor and noted in the text of the agreement.
- *Allegation against the Archbishop or Auxiliary Bishop.* If an allegation is made against the Archbishop or an Auxiliary Bishop, the Apostolic Nuncio will be notified of the allegation. The Archdiocesan Contact Person shall make certain that the Apostolic Nuncio is notified. In cases of financial demands for settlements involving allegations of any sexual misconduct by the Archbishop, the Apostolic Nuncio will be informed.

### **Initiating the Investigation**

When an allegation of sexual abuse of a minor by any Church Personnel is received, a preliminary investigation in harmony with canon law will be initiated and conducted promptly and objectively. The accused will be encouraged to retain the assistance of civil and canonical counsel and will be promptly notified of the investigation. If an allegation of sexual abuse of a minor by Church Personnel is found credible, the alleged offender will be temporarily relieved of any ecclesiastical ministry or function, in harmony with canon law. The Archdiocese will not interfere with any investigation by law enforcement. When there is sufficient evidence that sexual abuse of a minor by a cleric has occurred, the Congregation of the Doctrine of the Faith shall be notified.

### **Responsibility of the Victim Assistance Coordinator**

## CREATING AND MAINTAINING A SAFE ENVIRONMENT FOR CHILDREN AND VULNERABLE ADULTS

With respect for the privacy and the reputation of the individuals involved, the Archdiocese will deal as openly as possible with members of the community. This is especially so with regard to assisting and supporting parish communities directly affected by alleged ministerial misconduct involving minors.

Nothing in this section shall be construed to preclude the Archbishop from temporarily or permanently removing Church Personnel upon receipt of an allegation, either pending or after the Review Board's completion of its proceedings.

## **IV. PROCEDURES RELATED TO ALLEGATIONS OF ABUSE BY PRIEST OR DEACON**

### **Clinical Evaluation**

If a credible allegation of sexual abuse of a minor or vulnerable adult involves a priest or deacon, the alleged offender may be requested to seek, and may be urged voluntarily to comply with, an appropriate medical and psychological evaluation at a facility mutually acceptable to the Archdiocese and to the accused. The Individual will be informed of the allegations by the Archbishop or his representative and will be given an opportunity to respond to the allegation. He will be advised of his/her right to seek legal and canonical counsel. In the case of a religious order priest, the allegation will be reported to the major superior of the religious order.

## CREATING AND MAINTAINING A SAFE ENVIRONMENT FOR CHILDREN AND VULNERABLE ADULTS

### **Response to Admitted or Established Abuse**

When sexual abuse by a priest or deacon is admitted or is established after an appropriate investigation in accord with canon law, the following will pertain:

1. The Archdiocesan policy provides that for even a single act of sexual abuse of a minor-past, present, or future-the offending priest or deacon will be permanently removed from ministry. At all times, the Archbishop has the executive power of governance, through an administrative act, to remove an offending cleric from office, to remove or restrict his faculties, and to limit his exercise of priestly ministry. Because sexual abuse of a minor is a crime, for the sake of the common good and observing the provisions of canon law, the Archbishop shall exercise this power of governance to ensure that any priest who has committed even one act of sexual abuse of a minor as described above shall not continue in active ministry.
2. In every case, the processes provided for in canon law must be observed, and its various provisions be considered (cf. *Canonical Delicts Involving Sexual Misconduct and Dismissal from the Clerical State*, 1995; Letter from the Congregation for the Doctrine of the Faith, May 18, 2001). These provisions may include a request by the priest or deacon for dispensation from the obligations of Holy Orders and the loss of the clerical state, or a request by the Archbishop for dismissal from the clerical state, even without the consent of the priest or deacon. For the sake of due process, the accused is to be encouraged to retain the assistance of civil and canonical counsel. When necessary, the Archdiocese will supply canonical counsel to a priest.
3. If the penalty of dismissal from the clerical state has not been applied, the offender ought to lead a life of prayer and penance. He will not be permitted to celebrate Mass publicly or to administer the sacraments. He will be instructed not to wear clerical garb, or to present himself publicly as a priest.
4. The priest or deacon may at any time request a dispensation from the obligations of the clerical state. In exceptional cases, the Archbishop may request of the Holy Father the dismissal of the priest or deacon from the clerical state *ex officio*, even without the consent of the priest or deacon.

### **Transfer Requirements**

No priest or deacon who has committed an act of sexual abuse of a minor may be transferred for ministerial assignment to another diocese or religious province. Before a priest or deacon can be transferred for residence to another diocese or religious province, the Archbishop shall forward in a confidential manner to the local bishop or religious ordinary of the proposed place of residence any and all information concerning any act of sexual abuse of a minor and any other information indicating that he has been or may be a danger to children or young people. This shall apply even if the priest or deacon will reside in the local community of an institute of consecrated life or society of apostolic life.

### **Restoration of Position**

If the investigation proves the allegation to be not credible, the accused individual will be restored to his/her former position or be offered placement in another archdiocesan position.

***In the case of proven child sexual abuse, no one will be restored to an Archdiocesan position. If a priest or religious is removed, he or she can no longer function in any ministry for any Arch/diocese.***
